

118 Z series

When the eye is at rest, it can focus on the essential features of things. as if the series focused on Austere pragmatism, combined with specific colors in harmony with modern architectural design, its tough and simple design. The clear and independent personality is particularly captivating, and the matte black and matte white are visually and tactilely shocking, making people feel deep impression.

118 Z series

118Z-01
