

V310series

Private spaces deserve the best quality light switches,
so together with international interior design experts,
we have created a key series. In the perfect shape design,
it is the modern advanced technology of the
world's top smart home control system manufacturer.
Every switch is made to the highest standards
Manufacturing, guaranteeing the longest service life:
the brass parts of the switch are completely polished by hand, antique;

Latest Patented Technology Frameless European Style Large Panel
